*From November to April is a cold in Tibet, riders are suggested to wear winter riding gear during the tour. Riders are suggested to wear summer riding gear with a sweatshirt inside, raincoat should be prepared in case of rain.

西藏翼途
Tibet EasyRider

Tibet EasyRider is the highest elevation **BMW Motorrad authorized dealer** in the world. It is located in Lhasa, Tibet at an altitude of **3,650 meters**. The main building is a three-storey Tibetan-style building. The first floor is Tibet EasyRider BMW Motorrad shop, the second and the third floor is Tibet EasyRider hotel. With the perfect facilities and the professional staff, **Tibet EasyRider** adheres to **BMW's high standard service concept**, to add peace of mind for motorcyclists.

This is the road towards the peak. You will see the **Yamdrok Lake**, one of the three holy lakes in Tibet, the spectacular **Karola Glacier** and the **Tashilhunpo Monastery**, which is the traditional seat of successive Panchen Lamas, the first palace and monastery in Tibet during this trip. It is more exciting to see the worldwide famous mountains, including **Mt. Makalu (8463 meters)**, **Mt. Lhotse (8516 meters)**, **Mt. Everest (8844 meters)**, **Cho Oyu (8201 meters)** and **Mt. Shisha Pangma (8012 meters)** after crossing the 5,200 meters **Gaura Pass**. The 108 turns of Mt. Everest is paradise for motorcyclists, which is extremely fun and challenging. The scenery along the way will make you screaming!
